We look forward to your spending **Aug. 29, 2020**, with us at our 11th annual "Breath of Hope", charity golf tournament. Founded by two lung transplant patients & their caregivers in 2008, we have been working to help lung transplant patients ever since. Your attending allows you to enjoy a fun golf experience; while helping others.

If you have played in one of our previous tournaments, you know you will have a great time. If you haven't made it to one of the last 10 tournaments, now is your chance to have some fun and help raise money to help others.

Our mission is to:

"Provide assistance to fellow lung transplant recipients, including but not limited to: educating & promoting donor awareness; supporting transplant recipients throughout the transplant process; providing limited financial assistance to fellow lung transplant recipients (supplementing their current medical & pharmaceutical benefits and / or available assistance programs."

We do this by subsidizing medication costs, helping with long term housing expenses, covering travel costs, paying for other costs not covered by insurance, and by giving money directly to the lung transplant patients when they need it.
