

# WELCOME BACK

Whether you are a first time participant or one of our regulars, we want you to know you are appreciated for participating in our 13<sup>th</sup> annual – Norm Lydiard “Breath of Hope”, charity golf tournament. It will be held on Saturday May 21<sup>st</sup>, 2022.

If you have played in one of our previous tournaments, you know you will have a great time. If you haven't made it to one of the last 12 tournaments, now is your chance to have some fun and help raise money to help others.

Our **mission** is to support lung transplant patients, patient caregivers, and the medical professionals who care for them. We inform and educate patients on resources available beyond their personal medical insurance coverage including but not limited to housing, medical and financial assistance.

Our **goal** is to provide new patients with a community of fellow transplant recipients who understand their journey and can assist by sharing and encouraging in a positive and supportive manner.

We do this by subsidizing medication costs, helping with housing expenses, assisting with travel expenses, paying for other costs not covered by insurance, and by providing board approved funds directly to lung transplant patients.

**501.c.3 Organization**  
**26-2876893**
